OUR ACCREDITATIONS

A MESSAGE FROM OUR CEO

It is my pleasure to introduce our company to you. Apparel Industry has been in the garments business since 2014. From our Humble beginning of time we have come a long way. it was a fascinating journey for us, to witness the phenomenal growth of Bangladesh, how it's now a key player in the garments industry. We take pride in being a small part of this revolution.

At Apparel Industry we strive to maintain our integrity and most importantly our word. Our goal has always been to provide quality products and ship on time. Season after season we are grateful to our clients for keeping their trust in us which we believe was earned simply because of our workmanship and transparency. On behalf of everyone at Apparel Industry we cordially invite you to visit our office.

Thank you for being with us.

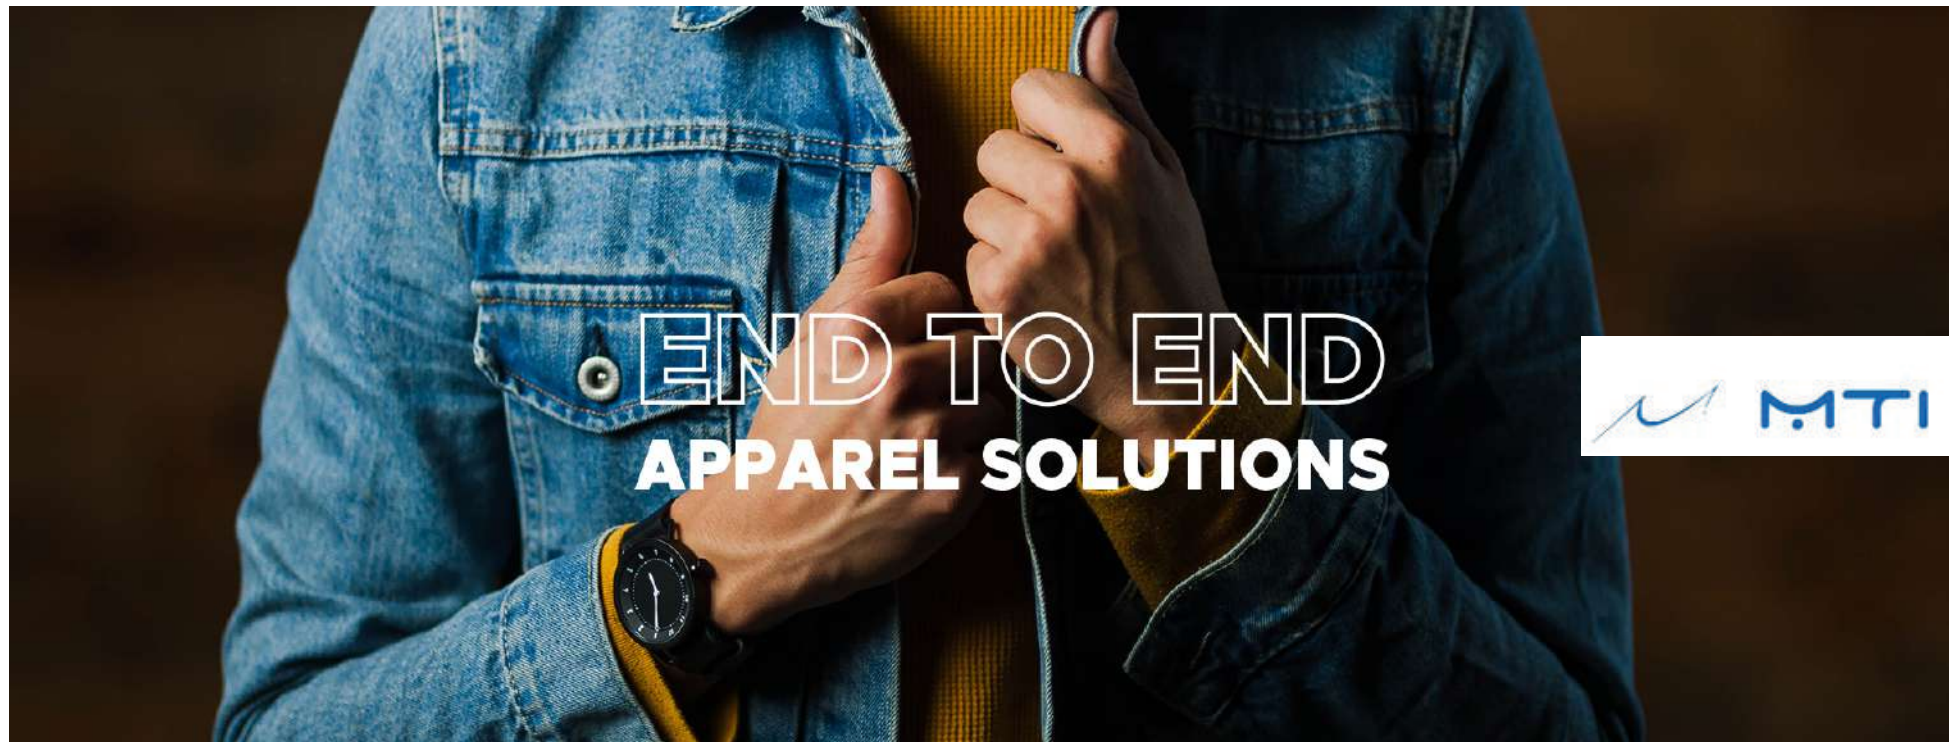

Md. Kamrul Islam Mazumder
CEO
Mega Trust International

Our Vision

To enrich our portfolio according to export at a large scale through our commitment to customers.

Our Mission

- To serve our customer with our honesty and integrity.
- To fulfill the customer demand with our extensive support.
- With our multiple knowledge we add the variation on product.

Our Business Policy

Our business policy is very simple that is to build a long term business relationship through offering minimum price and providing maximum quality. And We always respect the commitment. We believe that keeping commitment is a great duty for all human beings. Even its a noble order from all religions. And from opening our business to till today, we have enabled to keep our commitment to our buyers. That's why now we are more confident about to keep our this special characteristics.

OUR SERVICES

We are a full service buying house

Supplier Credibility: Mega Trust International is developing team take great care to ensure the quality, desired weight, construction and color, we evaluate the capacity and capability of every factory. R.M.J Design Limited also check environmental control, safety laws, labor practices and adherence to labor laws. We make sure that our supplier can meet our requirements when it comes to reaching the average number of pieces produced as per buyer's requirement at a given period of time to meet schedule.

Sourcing: We maintains strong exclusive relationships with many of the yarn and fabric mills and the accessories suppliers. Upon placement of orders, we check right way and control the quality of all garment inputs such as yarn, fabric, accessories, labeling and coordinates timing of their procurement and its timely delivery. We let buyers choose and decide what kind of accessories and labels to use as far as style, color, design etc.

Sampling: We develop and provide samples as per buyers design, fabric quality, weight, shrinkage, color fastness, specifications etc. to obtain buyers approval before heading to production through our professional staff of Merchandisers and Quality Controllers who always keep a close check on sampling and production.

Quality Control: Our Quality Controllers visit the factory regularly to make sure we meet our buyer's requirements. Our quality control personnel are stationed at all manufacturing sites to ensure that all production will meet according to buyer's requirement. We always want to deliver satisfaction to our customers; we monitor the order from sourcing of raw materials and accessories to production and up to the final shipment of goods. We also monitor and report the status of the order to the buyer with systematic follow up on each and every stage.

Packaging: Only approved goods are packed, and buyer is assured of getting quality merchandise. Care is also taken to see whether all packing instructions of the buyer are respected.

Shipment/Cargo Handling: All shipping documents are reviewed and verified as per buyer instruction. All cargo is handled by reputable forwarder to obtain correct information regarding ETD and ETA of vessels because time delivery is as important for us as it is to the buyer.

OUR PRODUCTION PROCESS

Fabric/Fabric Check: After getting order; when the fabric is received, it is laid down for 24h and checked conscientiously for any faulty.

Pattern: The pattern is created in the sampling phase to calculate the fabric consumption and costing sheet.

Cutting: The fabric is cut then bundled by style, size, and color.

Printing: We use cutting edge screen printing techniques with steadfast, reliable and consistent ink.

Embroidery: We control hand-made or machine-made embroideries on details or all-over.

Assembling: Processed semi-products are gathered back to the factory for assembling phase.

Finishing: The finished products are trimmed, checked, and packed for shipment.
